

Hello UCA Families!

We hope you've enjoyed the first week back to school! We're kicking off our fundraising this year with Rootin' Tootin' Shootin' on Saturday, September 24th.

The event flyer is attached. All information and registration forms are available at [ucaeducation.org/shoot](http://ucaeducation.org/shoot).

We are continuing the traditional Chili Cook-Off! You can bring a crockpot of chili to enter the competition. The sign-up is in the MealTrain link below. The chili with the most votes will receive a \$25 gift card.

The A 3D archery shoot with various prizes will be back this year!

The Nerf shoot will be held again for younger kids. All kids who participate in the event will be entered to win a S'mores Prize Basket!

NEW! – We will be holding a Cornhole Tournament starting at 10 am. Both kids and adults teams are welcome.

*All proceeds from major fundraisers go towards Financial Aid. **Every student receives the UCA Basic Scholarship of \$7,450!** Family Fundraising is crucial for us to keep giving this scholarship and need based aid to students.*

### Sponsorship Competition

- Every student who solicits for sponsorships or donations to the school under this event, will be entered to win a gift card. A student participating in the clay's event can choose to participate in the gift card drawing or the shotgun drawing. Students' sponsorships and donations are specific to that student and are not able to be combined or shared with a Parent/adult in other event competitions/drawings.
  - A sponsorship is when a sponsor would pay an amount (such as \$2) for every clay a participant hits.

### Family Fundraising Opportunities

- Donations/Pledges – Dollar for dollar (combined parent and student amount)
- Food Donations – Please sign up in the meal train link. (A pot of chili will be counted as \$25 worth of credit)
- Volunteer Hours – Parents time at setup (9/32) and event day (9/24), students can get community service

### Next Steps

- Sign up for Food donation and Chili: <https://mealtrain.com/vl0r38>
- Sign up for Volunteering Options, email: [development@ucaeducation.org](mailto:development@ucaeducation.org)
- Registration and more information: [ucaeducation.org/shoot](http://ucaeducation.org/shoot)
- For Questions, email: [development@ucaeducation.org](mailto:development@ucaeducation.org)
