

UNITED CHRISTIAN ACADEMY'S

759 Lackey Rd Derby, VT (physically in Holland)

September 21, 2024

(Extreme weather date Sept. 28)

Hello UCA Families!

We couldn't be more excited to start off our school year with our 17th annual Rootin' Tootin' Shootin' fundraiser on **Saturday, September 21st!** Due to the crazy weather we have seen over the past year, we decided to implement a "rain date" of September 28th. This will only change our event if the weather looks significantly bad. A drizzly day won't deter us from having a great time.

Our new location will host the same great event that we have enjoyed for many years while providing the opportunity for a reimagined fun day out for families with children of all ages. Tickets will be available to sign out in the Main Office in books of 5 for pre-sale. These newly styled tickets will be the participant's scorecard and door prize entries, so it will be important to keep track of them. Pre-selling tickets will help us to better serve this event.

We have also included a QR code on all of our flyers and tickets so participants and prospective participants can get all the info from our website as well.

Traditional **events** including the chili cook-off, clay shoot, double shoot, .22 shoot, and archery will all be coming back with a "bang!" (Yes, pun intended.) We have added some other fun events including: .22 (or pellet for littles) battleship competition, Dunk-A-Duck Nerf gun shooting gallery, face painting, carnival and backyard-style games, and even live music by the Morgan Church Band.

Prizes will be awarded for Top Shot, Double Clays, 20+ Clays, highest sponsorship, Archery, Battleship, backyard games, and more. Great **prizes** include new firearms, Yeti coolers and drinkware, and hundreds of dollars in gift certificates from local and national retailers, to name a few.

A SignUpGenius link will be sent to UCA families for opportunities to volunteer and make chili. (All volunteers may also purchase tickets to shoot/participate.) This is one of our three major fundraisers that will help you fulfill your FFR (Family Fundraising Requirement). Proceeds from this event will go toward financial aid. Every student receives the UCA Basic Scholarship of \$7,000 with some also receiving needs-based scholarships. These events help UCA keep the cost of a quality, Christian education within the reach of all members of our community.

Admission is FREE for everyone, with events starting at just \$1.00. Lunch is available for purchase or free with qualifying events.

Sponsorships, pledges, and donations are not only encouraged, there is a competition for them!

We can't wait to see you there!
